

## Summer Camp Descriptions

**Backyard Adventures: A Sing 'n Dance Camp**—Campers will dance, sing and act their way through the week as they explore a variety of backyard adventures! There's no limit to where our imaginations can take us!

**Princess Petite—Happily Ever After**—Our princess ballerina petite camp is for the smallest of princesses. Campers will twirl into beautiful petite ballerina princesses with arts 'n crafts, enchanting ballet stories, dress-up, ballerina rehearsals, and so much more. We'll explore all of our favorite Princesses throughout the week!

**Arts is FINE at the Guggenheim** —Explore famous artists in this camp focusing on using a variety of art media and techniques such as painting, sculpting and printmaking. Campers will create masterpieces based on the works at the famous Guggenheim Museum in New York and we'll have an end of week art show to share our masterpieces.

**iDANCE**—Put your iPod on shuffle as we have fun with ALL styles of dance, including tap, hip hop, jazz, Broadway and much more! If you LOVE to move 'n groove to today's popular (but appropriate) music then this is the camp for you!

**Zoopendous Adventures in Art**—Animal loving artists will particularly enjoy this camp which will feature a different animal theme each day. Stories, as well as the work of master artists, will be shared to inspire your young artist. Artists will create a range of animal themed art while exploring a variety of art media and techniques. End of week art show to share our masterpieces.

## Arts 'n Motion

At Arts 'n Motion we offer a curriculum in the arts designed to provide children from infants to teens with unique creative experiences that emphasize fun and learning. Through group classes in the disciplines of dance, early childhood music and movement, and art we encourage creative exploration in a non-competitive atmosphere that fosters self-confidence, self-esteem and independence.

## Summer Camp Program

Join Arts 'n Motion for a summer full of fun. We've taken our most popular classes and rolled them together to create awesome adventures in the arts to motivate, educate and inspire all young artists. Whether you like to sing, dance, paint, act or put on a show, we have it all at Arts 'n Motion. In addition to our own friendly staff, we will welcome special guests and talented professional artists to add to our programs throughout the summer. In addition to our camps, we will also be offering a mini summer session where we will offer a variety of classes, including dance, music, creative movement and art. These classes, separate from our summer camps, will meet once per week. Please contact us or visit our website for more information.
